

'Girls Golf Camp'
19 - 21 April 2017
(School Holidays)

*for girls aged 10 to 14 years
at Scotch College, Carruth Rd, Torrens Park*

'Girls Golf Camp'

19 - 21 April 2017

One of the key area's of Golf SA's strategic plan is to grow female golf participation and we consider there is no better place to start than with Junior Development.

The 'Girls Golf Camp' is a 3 day / 2 night 'live in' camp hosted by Golf SA at Scotch College in April school holidays. The Boarding House of Scotch College offers modern facilities including lounge & conference areas, play areas, gymnasium and pool. First year attendees only, may opt not to stay in overnight.

Golf is a game for life, simply through participation it develops many good attributes required to live a healthy lifestyle. This development camp is for girls only, aged from 10 to 14 years and is very much about the concept of golf and the skills required in playing the game.

The following skills and topics will be covered;

Golf Swing concepts (Long Game, Iron Play, Pitching, Chipping, Putting), Fitness & Health, Game Play, Etiquette, MyGolf Skill Assessment, Socializing & Public Speaking.

Camp includes:

- Welcome pack
- All coaching
- Meals and accommodation
- Transport to golf courses
- Green fees
- Equipment if needed

Attendees need to bring:

- Sleeping Bag or doona, pillow and towel (for those living in)
- Neat casual sensible clothing suitable for the athleticism of golf
- Suitable footwear i.e. sneakers or closed in shoes

Camp fees:

Live in attendees \$295.00

Optional Non-live in first year attendees \$195.00

To obtain a registration form and for enquiries please contact:
